

Federal Energy Regulatory Commission Forms of Address for Required Courtesy Copies of eFiled Documents

Courtesy copies are due no later than the next business after the corresponding eFiling was submitted to the Commission.

Each Courtesy Copy must include a copy of the eFiling Confirmation of Receipt email as the cover page so that staff knows the document was eFiled.

Courtesy copies hand-delivered to FERC should be placed in the area outside the Counter in Room 1-A for staff pickup or delivery to staff. We will not date-stamp the courtesy copies, but we will stamp an extra copy of the Confirmation of Receipt email for your records as evidence that courtesy copies were delivered.
