Docket No. RM13-2-000

ORDER NO. 792-A

ORDER CLARIFYING COMPLIANCE PROCEDURES

(Issued March 20, 2014)

1. On November 22, 2013, the Federal Energy Regulatory Commission (Commission) issued an order (Order No. 792 or Final Rule) in the above-referenced docket.¹ This order clarifies the compliance requirements in Order No. 792.
2. The Commission requires each public utility Transmission Provider to file in compliance with Order No. 792 the *pro forma* language included in Order No. 792 without variation.² This compliance filing made pursuant to section 206³ of the Federal Power Act (FPA) is required to be filed with the Commission within six months of the effective date of the Final Rule.
3. A public utility Transmission Provider may submit an FPA section 205 filing⁴ to demonstrate that either a variation that has not been previously approved by the Commission, or a previously-approved variation from the *pro forma* language that has been substantively affected by the reforms adopted in the Final Rule, meets one of the standards for variance provided for in the Final Rule, including independent entity
